Special Notes:

Camp is each week: Monday - Thursday (No Fridays) from June 1st - July 22nd. There will be no camp the week before July 4th. Water will be provided each day and we suggest eating something light before each session. Please bring a pair of rubber cleats and tennis shoes each day to be able to correctly perform required drills. ***Reduced Rate Available for Families that Qualify. Please contact the campus athletic office for information.*** This camp will have three distinct sections and goals. First will be the weight room component designed to improve the athletes' overall strength and power. The second part will be agility and speed training along with general conditioning. The goal of these two parts is to prepare the participants for the physical demands of their sports and decrease the potential for injury. The third part will be sport specific skill training. This will happen on a separate schedule/agenda to be released by each different sport separately in conjunction with this camp.
